## Muse 66<sub>(approx.)</sub>

*"Music by the People for the People"*

**August 2009**

Dear Folkpeople et al

*Please print & put the Poster overleaf up at your workplace or anywhere else you fancy; also feel free to forward the Muse to everyone you know!*

- **Next CFC Music Event at Cawarral Recreation Grounds, next Saturday (8<sup>th</sup> August) from 6pm. (SEE POSTER OVERLEAF)**
- **Music Production Workshop Coming to CQ**

Are you forever searching for the source of that troublesome and nagging buzz that's hiding inside your speakers? Or just looking for ways to keep the lead guitar player's feedback from ruining everyone's night? Central Queensland Musicians and aspiring Sound and Audio Technicians - here's your chance to learn from the pros how to get a great mix from your pa equipment, amplifiers and instruments of all kinds.

Coowonga Folk Club have been successful in securing a RADF grant through Rockhampton Regional Council to run Production Workshops in conjunction with folk club events and the 2009 Village Festival. **The first workshop will be held next Saturday 8 August at the Cawarral Rec Grounds with an all day session followed by mixing for that night's music event.** Leading the workshop will be Keith Walters who brings over 30 years of experience in mixing in the studio and on stage for a number of major acts and music styles. Further sessions and actual on the job training will be held in conjunction with the upcoming Village Festival at Yeppoon 14-16 August.

Places are limited for the production workshop with bookings required and all skill levels welcome. **Further details of the workshop and booking details are available by emailing CFC Secretary Noel at [noel@beefaustalia.com.au](mailto:noel@beefaustalia.com.au)**

- **Bootleg Bobfest Video found in Lost Vault!**

The lost bootleg video for Bobfest has been recovered from the CFC President's beer fridge and he's promising to edit it into the stunning representation of the night that was. Martin Scorcese has signed on for the project as well with our own Damo Clark as "technical consultant". Plans for next year's Bobfest are already brewing so don't throw out your Leopard Skin Pillbox hat just yet.

- **Coowonganese King of Pop Tribute Rumours Unfounded**

Unsurprisingly the Coowonga Folk Club will **not** be doing a tribute to Michael Jackson and any conjecture to this effect is just that. Club President Denis Harris had this to say about the internet rumours surrounding the king of pop and the club "This is a private time to mourn for both club members and Michael's family. And besides no one really needs to see Paul Bambrick playing an acoustic version of Billie Jean with just one white glove on."

- **Village Festival 2009**

Your Village Festival Coming soon and again Coowonga is playing an active role in our major regional music and arts celebration. There's plenty to be done on the helping front so don't be afraid to lend a hand with setting up, decorating, selling mulled wine or cheering on our many members gracing the stages. Get involved- he or she not busy bein' born is busy dyin!

See you Saturday,  
 Noel  
 (Hon Secretary, CFC)

# Saturday

August 8<sup>th</sup>
